**Tuesday, May 14, 2024
9 AM - 10 AM

Held in Fellowship Hall**

Join Elyse Kauffman, Everence Charitable Consultant, for a conversation regarding financial stewardship. Elyse will discuss opportunities to utilize resources – now and later - to support Londonderry Village, your church, and/or other favorite charities.

An overview of creative and smarter ways to be generous including utilizing qualified charitable distributions, donor advised funds (DAF), Charitable Gift Annuities (CGAs), and bequests will be reviewed. Additionally – a new opportunity to give through Everence, from your Required Minimum Distribution (RMD), called Donor Designated Funds, will be shared.

To register please call Londonderry Village's Director of Development, Lisa Thomas, at 717-838-5406 ext. 3060. If you would like to send questions for Elyse ahead of time you can provide them with your registration.
