## *Spring Cleaning Announcement*

In preparation for ongoing renovations, LV Management will begin a cleanup and decluttering of our shared spaces, including the Snell Community Center and all common areas within the apartment buildings. To help with this effort, we kindly ask that all personal items, furniture, wall décor, and similar belongings be removed by May 15th.

Also, we are forming an Aesthetics Committee comprised of team members and residents to solicit feedback during selected renovation projects. We are looking for three resident volunteers to join us in in this committee to help make decisions and champion the changes that will be happening around campus. If you're interested in being part of this committee, please contact Sandra at the Snell Community Center (ext. 3058) to put your name in for consideration.

Thanks,

## Stamp Collecting

Several years ago the Village had a stamp collecting project that raised money for the Good Samaritan Fund. We are looking to start this project again collecting all kinds of stamps. Stamps prior to April 12, 2007 you had to lick and press onto the envelope. All these stamps need to be soaked off the envelope. After that time FOREVER STAMPS (\$-41) evolved and were self adhesive. For several months I've been collecting, doing quick sort and cut of stamps. I have several bags and now I NEED YOUR HELP in doing a final trim of a precise border of paper around each with no more than 1/8" and not less than 1/16" with perforations (perfs) intact. The next step is a final sort, packing and mailing to Mystic Stamp Company.

If you have any stamps are willing to donate, we ask that you cut or tear off the corner leaving a sizable border for further trim. DO NOT TEAR THE STAMP. You can deposit all stamps in the box marked STAMPS at the in house mailboxes next to the wall joining the Covenant office.

This final trim process can be done in your home anytime it is convenient for you. If interested in helping, fill out the reservation slip and someone will contact you. Any questions, call Trudy at Ext. 3048.

## Card Making Group: Friday May 2nd at 10:00 AM

If you enjoy making cards, please join the Card Making Group May 2nd at 10:00 AM in the Village Art Center. The group creates greeting cards from recycled cards and sells them to benefit the Good Samaritan Fund. WE ARE IN NEED OF MORE VOLUNTEERS TO HELP WITH THIS PROJECT. We meet every 1st Friday of each month at 10:00 AM in the Village Art Center. Please consider joining us. No reservations needed. Questions: Call Trudy ext. 3048

Greetings everyone, It's hard to believe that it's May already.

Things are moving along in the grounds department. Edging, mulching, planting, mowing and adding a new groundskeeper.

His name is Matt. We hired a gentleman named Tom in April and a gentleman named Patrick in March. When you see them, say Hello!

The compost pile is moved from the bins to the lower parking lot.

Just a friendly reminder.. Please No fruit or veggie scraps, egg shells or paper in the yard waste bins. Please clean up after you fur babies even in your backyards. Thank you very much.

Strauser will start maintaining the IL duplexes this month, say hello to them.

If anyone has any questions, please feel free to reach out to me.

Until next month. Be safe and Kind! - ***Tracey, Grounds Department***

## Sunday Worship Time Change

The Sunday Worship Service will change from 10:00 AM to 4:00 PM beginning on Sunday, June 1<sup>st</sup>. There will still be a Worship Service broadcast on Sunday mornings at 10:00 AM on Channel 4 for those who would like to watch a morning service. This change will allow residents who attend their churches in the morning to join for worship on Sundays in our Chapel with the Londonderry Village community.

This change in service time will provide greater opportunities for residents to participate in our Sunday Worship Service. Please contact Chaplain Ken if you are a:

Pastor or Bible teacher and would like to use your gifts to occasionally teach in our Sunday Worship.

Musician or vocalist and would like to use your musical gifts to occasionally minister in our Sunday Worship.

Resident who would like to volunteer to share your testimony, read Scripture, or volunteer in some other capacity (e.g. Greeter) in our Sunday Worship.

### Motor Home Camping

The following is a true story that took place on one of our camping trips to Cape Cod Massachusetts.

Camping in our Motor Home is one of our joys in traveling across the United States, Canada and Mexico. Many camp grounds at their exit have a sign.

Do you have your TV antenna down.  
Do you have your step in.  
Do you have your wife on board.

In the morning on our way to Woods Hole at a camp ground we were leaving and we had stopped at the exit and my wife opened the side door and headed to the bin to deposit garbage. On her way back I heard the door slam and I proceeded to the exit. I turned right and headed toward Woods Hole. About a mile down the road I hollered to her and no response, so I hollered again, still no response. I pulled off the road and went back to see if she was on board. She was not there! I went back and started driving looking for a place where I could make a U-turn on the divided high way. About another mile I found a cross over and headed back. As I turned my cell phone rang and my wife said "are you coming back to pick me up?" said "I'm on my way ". As I approached the the camp ground she was waving. When I stopped I said how did you call me your purse is on board. Then she said " well I used the phone in the office".

Still to this day I don't know way she was so up-set.

# IL Committee Notes - May 2025

## ILC Activities

The month of May is an especially busy month for those who are involved with the Barn Sale. It doesn't occur until the last three days of May but a tremendous amount of effort is expended by the volunteers during the month as they get everything ready for the rush of buyers on May 29, 30 and 31. If you are looking for something to do, may I suggest volunteering for the Barn Sale. More volunteers are always welcome and needed! A special thanks to those who have been working every week for the last year, and those who have volunteered to help at the time of the sale!!!!

Right after the beginning of the month on Sunday, May 4, at 3 pm the resident groups Village Harmony and handbells will hold their Spring Concert. As always, it should be wonderful program performed by residents who have been practicing every week throughout the year. Come for a relaxing Sunday afternoon!

One special activity that occurs earlier in the month is the Butterfly Release program on Saturday, May 17<sup>th</sup>. Since this event occurs the weekend after Mother's Day, purchasing and releasing a butterfly is a beautiful way to recognize one's mother or someone else who has a unique place in your heart. To make the day especially memorable one can attend a Garden Tea Party at 11 am at the Stoneback Pavilion prior to the 1 p.m. Butterfly Release.

Another interesting Lunch 'n Learn session is scheduled for noon on May 15. The topic will be a journey through the history of the Hershey community, the Milton Hershey School, and the legacy of Mr. Hershey. Sounds like a very enjoyable way to have lunch. You may order a boxed lunch, bring your own, or attend without eating.

You may have heard of the Mission Moment E-Newsletter, a new monthly publication of the LV Development Team. The target audience for this communication are donors such as churches, businesses, and individuals and families, as well as residents and staff. The recent edition included several interesting articles, one being a history of LV's Workshop. If you are interested in receiving this publication, please provide your email address to Olivia Harris at phone extension 3052 or email [oharris@londonderryvillage.org](mailto:oharris@londonderryvillage.org).

Stamp Collecting is another fund-raising activity at LV. A group processes new and used stamps that are then sold to a company. Please don't tear corners off envelopes but provide the entire envelope or most of it so that the group can prepare the stamps in a manner that is acceptable to the buyer. There is a box at the Snell Reception Desk for depositing the envelopes with stamps. The funds obtained by this activity are donated to the Good Samaritan Fund.

May you remember your mothers on May 11, and hope to see you at the Barn Sale on May 29, 30 and 31.

Jim Williams, Chair

# Trash Recycle Page

**THERE WILL BE NO RECYCLE PICK UP MAY 29TH, DUE TO ESTATE/BARN SALE.**  
**April 24th will be the last day to put sale items out for pick up until June 5th.**  
**Items put out for pickup in May will not be taken.**

## Londonderry Village Trash

We have a great group of dedicated residents who pick up trash at the duplexes and cottages every Tuesday and Friday in all kinds of weather all year around including holidays.

*(Apartments work differently for trash pickup since they have a common area for trash)*

There are two teams starting at 8 AM and within an hour all of the duplex and cottage trash is picked up and taken to the barn and put in the big containers. It sure beats having the large trash trucks on our streets any time of the day.

There are six residents that regularly make up the trash teams, along with some substitutes. They can always use substitutes to fill in when necessary. If you would like to join the trash detail as a regular or as a substitute, contact El Foore at 717-574-3002. Thank you trash teams for your service to Londonderry Village.

## Recycle

One important function that our residents are committed to is recycling. There are six residents that pickup recyclables every Thursday from the duplexes and cottages, including holidays. An exception would be newspapers and cardboard during wet weather. Can you imagine handling wet newspaper and cardboard? Mushy & slimy. In wet weather, hold newspaper & cardboard to a future dry Thursday.  
*(Apartments work differently for all recyclables since they have a common area to put recyclables)*

Ivan Hanson administers our recyclable program. He keeps us up to date on what can be recycled. They can always use additional resident help on Thursdays for pick up and sorting recyclables. If you have an interest and want to help, even if it is only once in a while, contact Ivan Hanson at 717-813-3418. If you can't commit full time, you may want to be a substitute helper.

We like to recycle as much as possible to keep items out of landfills. We also receive some funds for recyclables that go to the Good Samaritan Fund. Thanks to the dedicated recyclable teams for your service to Londonderry Village. If you have any questions about what items are recyclable, contact Ivan.

Your IL trash men are like postal workers – through wind, rain, snow and all kinds of weather we will pick up trash. We even include holidays in our schedule. One reminder please tie your bags shut. Thanks, your trash men!

**If you would like to Volunteer for Thursday recycling please contact Ivan at 717-813-3418.**

## FOX RUN RESIDENTS:

**Put your recycling outside your garage door on Thursday by 8 AM.**

**Trash on Tuesday and Friday at the same place and time.**

**Check your recycle sheet for more details. Thanks, Ivan**

# Village Voice

Remember the thrill you had when you bought your first car? If it had a heater, cigarette lighter and an AM-FM radio, that was a Big Deal! As time went on, you may have added an eight-track tape player, then advanced to a cassette tape player after the eight-track became obsolete. Air conditioning was a wonderful option available if you had a V-Eight engine in your 1955 Chevy Bel Air. Since mine was not a V- Eight, my option was to roll down the windows. Remember when you had to manually wind your windows up and down?

Now, let's move on to today's wonderful modern vehicles. These modern marvels are as complex to me as a space capsule would be. Some of them have the capability of driving themselves, while the driver sits there like a bump on a log. They can tell you where you're going, where you've been and how long it took you to get there. It can warm your backside and tell you when another object is anywhere around your vehicle. Your satellite radio service offers a wide variety of programing. The List of options that are available on this modern automobile boggles the mind.

While researching this article, I inquired about looking at an owner's manual for a particular make of car. I was told that they no longer come with an owner's manual. Any information that I needed was available "On-Line". Oh well, here I go into the wonderful world of technology again.

The older I get, the better that old Chevy I had Looks!

I can see where the factory of the future will have only two employees, a man, and a dog. The man will be there to feed the dog. The dog will be there to keep the man from touching the equipment.

Bye For Now,

El Foore
