We do place the Newsletter on our LV website and the Uniguest Community system for residents to view. We welcome any suggestions for improvements as we continue to develop informative ways to share what is happening at the village. Be sure to keep informed living an active life style in our vibrant community.

Ragamuffin June 6th at 3:00PM – True Life Story

"He found the secret, that if you want to find your life, you have to give it away." - Shane Claiborne
 He was a poet and a beggar, more comfortable with the homeless than the wealthy, a musical prodigy who rose to fame. Rich Mullins refused to let his struggles distract him from God, who was resilient to live a life of honesty, and this is his story. Later, after his success he allowed his salary to be only what average Americans earned. The rest he gave away to charities and churches. Rich Mullins wrote the song, "Awesome God".

Anything Goes June 20th at 3:00PM

Bill Benson (Bing Crosby) decides to start a new show. He hires Ted Adams (Donald O'Conner) and takes a ship from Europe along with Donald. Bing finds/hires Patsy Blair (Mitzi Gaynor) before sailing for Bing's new show when they land in the US. During the ship trip, Donald finds Gaby Duval (Zizi Jeanmarie) and offers her the third slot in the three person new show. The two guys finally realize they now have four people instead of the show for three people. Funny musical and romance is the what happens next. Perhaps a 3.5 person show would be appropriate, you need to come and see what develops.

I Still Believe June 27th at 6:30PM

True Story of Christian Singer Jeremy Camp

The movie is based on the life of American contemporary Christian music singer-songwriter Jeremy Camp and his first wife, Melissa Lynn Henning-Camp, who was diagnosed with ovarian cancer shortly before they married. She shortly becomes cancer-free. Six months later, Jeremy and Melissa marry. Everything seems perfect until after their honeymoon, when she wakes up in pain. Her cancer has returned. Jeremy begins to question his faith in God. In the hospital, Jeremy sings a song he wrote ("Walk by Faith") during their honeymoon. Melissa passes shortly after. Jeremy becomes angry at God, and chooses to abandon his musical career, smashing his guitar until it breaks...
 Camp's song "I Still Believe" is the film's namesake.

In Loving Memory

As part of a caring community, we grieve losses and want to stay connected. Each month, we include names of those who are gone from us physically, but whose lives we want to remember in thoughts and prayers. Due to newsletter deadlines, dates span the 16th of one month through the 15th of the next month.

We extend our sympathy to the family of:

John "Jack" Bogrette Jr., who died on April 17, 2025.

Dorothy "Dottie" Kroll, who died on April 23, 2025.

Robert Houck, who died on May 11, 2025.

Village Voice

While walking from my car into the Snell Center I saw a penny on the blacktop, I picked it up and added it to our coin collection. A penny saved is a penny earned as the saying goes.

As we were growing up I'm sure you remember finding a penny and using it to purchase that sweet penny candy treat. My how things have changed!

You've probably found pennies everywhere around the house, in every nook and cranny of your parents house, as well as the houses of many of your relatives. This doesn't take into account all of them you've found on sidewalks, parking lots and any other places you may have been. Remember as a child how much fun it was to bury your hands under and along the side of the cushions on sofas and chairs in the living rooms of family and friends? What really made it fun was the anticipation of finding dimes, nickels or the thrill of finding a quarter,... WOW!!

Now the penny is in danger of becoming extinct, as happened to our county's half cent coin in 1857. Does anyone care?

According to press reports, each penny costs nearly four cents to make, equating to a cost of something like \$85 million dollars to produce nearly 3.2 billion pennies last year. And where did all the pennies go?

Pennies are jingling around in countless pockets and purses around the country, gathering dust in furniture drawers and heaven only knows how many are under car seats or have found their way into our washer and dryer.

While doing my research for this article, I came across this philosophical question, "If someone offers you a penny for your thoughts, and you give them your two cents worth, what happens to the other penny?"

Remember the half pennies I spoke of? Online search shows US half pennies currently are worth from \$65 by collectors, to an 1806 minted one with a \$225 price tag, so you may want to hang on to some of those pennies you have in your jar.

In closing, let me add this phrase, "A penny for your thoughts", NAW! I'll keep my penny thank you!"

Bye for now,
El Foore

Golf

In 1946 after World War II my dad took a job with a knitting mill in New Bedford Massachusetts. I was 12 years old. My next door neighbor boy was a caddy at the New Bedford Country Club and convinced me to go along on a Saturday to learn how to become a caddy and make some money. Little did I know it was self taught, on the job training. I sat on the wall with other boys waiting to be called by the caddy master. Three days late in the day, I got my first job and of all things a double. I was the last caddy on the wall. They were kind and understanding as I fumbled with the clubs and balls. In high school I hung out with my friends that played golf but I was not that interested but was more involved in basketball. When I moved to Hershey in 1962 I got my first set of clubs and a how to play golf by Ben Hogan. Over the years I improved my game to about a 10 handicap. One day when playing the Juvenile Golf Course, on hole number 2 my friend was lying 9 and hit the ball into to a bird's nest and got a birdie.?? So be it. Around the age of 78 my game deteriorated to 100 plus. Today at 90 I asked a well know friend if he would take me out on a golf course to test my skills. In preparation I practice putting on the LDV putting green and hit a bucket of balls at Adventures Sports. The best improvement I made was that I can no longer hit a slice or hook any more. They got straight and short, but not at the target. As my uncle used to say "so straight so far so seldom". As my well known friend said above " some times I am ready to go for a snack after the second hole".

Trash Recycle Page

Londonderry Village Trash

We have a great group of dedicated residents who pick up trash at the duplexes and cottages every Tuesday and Friday in all kinds of weather all year around including holidays.

(Apartments work differently for trash pickup since they have a common area for trash)

There are two teams starting at 8 AM and within an hour all of the duplex and cottage trash is picked up and taken to the barn and put in the big containers. It sure beats having the large trash trucks on our streets any time of the day.

There are six residents that regularly make up the trash teams, along with some substitutes. They can always use substitutes to fill in when necessary. If you would like to join the trash detail as a regular or as a substitute, contact El Foore at 717-574-3002. Thank you trash teams for your service to Londonderry Village.

Recycle

One important function that our residents are committed to is recycling. There are six residents that pickup recyclables every Thursday from the duplexes and cottages, including holidays. An exception would be newspapers and cardboard during wet weather. Can you imagine handling wet newspaper and cardboard? Mushy & slimy. In wet weather, hold newspaper & cardboard to a future dry Thursday. *(Apartments work differently for all recyclables since they have a common area to put recyclables)*

Ivan Hanson administers our recyclable program. He keeps us up to date on what can be recycled. They can always use additional resident help on Thursdays for pick up and sorting recyclables. If you have an interest and want to help, even if it is only once in a while, contact Ivan Hanson at 717-813-3418. If you can't commit full time, you may want to be a substitute helper.

We like to recycle as much as possible to keep items out of landfills. We also receive some funds for recyclables that go to the Good Samaritan Fund. Thanks to the dedicated recyclable teams for your service to Londonderry Village. If you have any questions about what items are recyclable, contact Ivan.

Your IL trash men are like postal workers – through wind, rain, snow and all kinds of weather we will pick up trash. We even include holidays in our schedule. One reminder please tie your bags shut. Thanks, your trash men!

If you would like to Volunteer for Thursday recycling please contact Ivan at 717-813-3418.

FOX RUN RESIDENTS:

Put your recycling outside your garage door on Thursday by 8 AM.

Trash on Tuesday and Friday at the same place and time.

Check your recycle sheet for more details. Thanks, Ivan

LV Auxiliary News

Village Boutique

Hours: Monday, Wed., Friday & Sat. 1pm to 4pm

Happy Fathers Day to all of our Fathers and Father figures of Londonderry Village. Our June "Special" will be: ALL men's clothes, shoes, ties and belts will be 1/2 price in honor of your special day. Come in and enjoy shopping in the Boutique.

Special Project

This year and next year, the Auxiliary's major project is the Londonderry Village Sidewalk/Walking Paths Improvement Project. This project will construct wide, unobstructed sidewalks with no gaps or dead ends to connect all parts of Londonderry Village. In addition to enhancing connectivity, the sidewalks and walking paths will promote wellness, mental health and social activity, and improve safety and campus appeal.

Many thanks to all who purchased subs/sandwiches for our most recent fundraiser. A profit of over \$1000 was realized. Special thanks to Lynn Duffy who coordinated the sale-she is one organized lady!

We also want to thank those of you who participated in the Pot Pie Fundraiser as a profit of over \$400 was made. Special thanks to Gayle Kohl who coordinated her second fundraiser of the year.

Lastly, we are most appreciative of our supporting churches and the key persons who faithfully attend our meetings and carry information back to their church.

Did you know that over the past 47 years, the Auxiliary has donated over \$1,262,370,21 to the Village for a multitude of projects? At the May Quarterly Meeting Bill Moulfair provided an overview of some of the more recent projects. Here are just a few examples of the projects completed over the past 25 years:

1997-98 Wheelchair Van \$18,000	2011-13 Automatic Door Project \$60,000
1996-99 Tranquil Terrace \$100,000	2021 Broda Chairs/Furniture \$11,450
2003 Fitness Center \$39,155	2022 Refrigerator/Freezer Convenience Store \$11,876
2005 Care Tracker \$57,423	2007-09 Greenhouses \$100,000
2022 New Letters for Outside Signs \$12,332	2010 Passenger Van \$75,000
2024 Memory Care Unit \$25,000	

Space does not allow us to begin to list all of the items purchased over the years, but as you can see from the examples listed, the Auxiliary has contributed a lot of money to many worthwhile projects. The bulk of the items purchased were less than \$5000. If you would want to see a more complete listing, see Bill Moulfair.

Dates to Remember:

August 2 - Quarterly Meeting in the DiMatteo Worship Center at 9:00am
November 1 - Quarterly Meeting in the DiMatteo Worship Center at 9:00am
September - Watch for the Apple Dumpling Sale
October 25 - Bazaar

Nominations Needed:

We are still in need of persons who are willing to volunteer for officer positions in the Auxiliary. We are in need of candidates for vice-president and secretary. The pay is not the best, but the rewards are HUGE! Just let one of the officers know if you are interested or would like more information.
